Fall Newsletter

September/October/November
2026

A new season is here and we have lots of fresh ideas and goals.
All comments and suggestions will be greatly appreciated.

Children learn best through play. Lessons are planned to keep our activities as fun as possible for them because we want them to enjoy their time here and they also learn the concepts much better. We spread activities throughout the day to prevent the children from becoming bored and alternate active and calm activities. Art activities are open ended to encourage creativity

Things We Need

We use a lot of things you can find around the house for our crafts. Many of these items may be things that you have and simply throw away.
We would love to help you recycle these things.

Empty Toilet paper roll
Old magazines to cut up
Old Shoeboxes
Old Socks
Plastic Containers

Upcoming Events

1. The Pre K class has been scheduled to visit Shady Brook Farms on Friday September 25th
   Leading up to the trip, students will be learning about fall, farming and trees. We are waiting on all of their interesting questions regarding how things grow. Therefore we will follow their lead and learn more about things that they are interested in.

2. Thursday October 30: Dramatic Play Day! In our efforts to support young children and their colorful imaginations, we will have a dramatic play day for children to dress as their favorite super hero or character:
   No scary costumes please. In addition to dressing up, we will enjoy music, games and tasty treats.
   Feel free to donate yummy healthy treats to your child class and assist with fun and games.
